

Rotorua Orienteering Club Membership Form 2010

(1 April 2010 – 31 March 2011)

Your membership fee gives you reduced map prices at Rotorua Club events, the club newsletter, and affiliation to the NZ Orienteering Federation (NZOF) which allows you to participate in regional, national and international events.

A Family is two seniors and any number of Juniors living at the same address.

Membership class	Subscription fees
Family	\$25
Senior	\$10
Junior	\$10
School	\$25

A Junior is someone 18 years and younger on 1 January 2010. School membership does not allow individual students to compete in regional and national championships. Students who wish to compete in regional and national championships must have individual membership (Junior or Family).

Club members are entitled to members rates at Rotorua Orienteering Club events. The map prices include an event levy of 25% that is paid to NZOF. These map prices may be reduced at promotional events using smaller maps.

Map prices at each event	Member	Non-member
Price per map	\$5	\$10
Maximum payment per sub	\$10	\$20

NB: These prices are per map not per person. Groups may need only one map.

All members are encouraged to purchase a subscription to NZ Orienteering magazine which is an additional \$16.80 (including postage). This magazine is produced four times a year and is a high quality publication including results and information from events and also articles about how to improve in orienteering.

Surname	First Name	Year of Birth	Male/Female

Postal address			
Phone number		Email	

I consent to Rotorua Orienteering Club including my name, address and phone number in club publications on the understanding that Rotorua Orienteering Club will not otherwise pass on personal details to any other organisation (Delete if consent not given).
